Dear Parents/Carers

### **Year 7/8 Food Technology Lessons**

We are delighted to be able to offer our Year 7/8 students a Food Technology lesson again this year. This is a fantastic opportunity for your child to start their cooking skills.

James Bateman Middle School will be providing ingredients for your child's Food Technology lessons to ensure he/she is able to take part in ALL practical lessons.

In the past a lot of children have missed out on taking part in practical lessons due to pupils forgetting to bring ingredients to school. To overcome this problem, we wish to provide all ingredients at a cost of £25 for the academic year.

If your child is absent from school on the day of a practical lesson there will be no refunds as the ingredients will have already been purchased.

Please pay for this via Arbor by the Tuesday 1<sup>st</sup> October 2025.

Yours faithfully

Mrs K Sheldon  
Teacher of Food Technology
