2nd October 2025

Dear Parents and Carers,

We would like to warmly invite you to join us at school for a special event to meet the staff and gain an insight into your child's learning journey this year.

This event will give you the opportunity to:

- Visit your child's classroom and to meet your child's class teacher and other members of our school team.
- Explore the curriculum and discover how we support and extend learning across different subjects.
- Look at your child's books and see the learning journey so far.
- See examples of the exciting projects and topics your child will be working on this year.
- Learn more about key events and opportunities coming up, such as educational visits, performances, enrichment activities, and ways for you to get involved.

We believe that strong partnerships between home and school make a huge difference to children's success, and this afternoon is an important way to build those connections.

We very much hope you can join us and look forward to sharing with you the exciting journey ahead for our students. The session for **Year 7 and Year 8 parents will run from 2.30-3.00pm on Wednesday 22nd October 2025** and your child will be able to leave with you at the end of the session.

Please confirm your attendance on Arbor in the consents section.

Yours sincerely,
Mrs T Price
