

Ready, Respectful, Resilient
Headteacher: Mrs T Price BA (Hons) MA Ed

23rd February 2026

Dear Parents/Carers,

As we prepare for our upcoming school production of *Matilda JR*, we wanted to share a little about the exciting work taking place behind the scenes and offer an opportunity for families across the school community to get involved.

The production involves a large cast of pupils and a significant amount of planning, creativity and resources. While the school is providing the majority of costumes, props and set materials, there are still additional costs involved in bringing the show to life on stage. We have been able to supply most of the costumes thanks to the generosity of staff, the school's magical prop cupboard and the wonderful support of our local community, who have kindly donated prizes and items.

We are therefore inviting families, whose children are not directly involved in the production, to consider making a small **voluntary donation** to support the show. Any contributions will go towards costume materials, finishing touches, props and set design to help ensure the production looks as fantastic as possible for our pupils and audience. Please be assured that this donation is entirely optional and there is absolutely no expectation to contribute. No student will ever be disadvantaged if a family is unable to donate.

If you would like to support the production, a voluntary donation option is available via **Arbor Shop**. Thank you for your continued support of our school community and for helping us provide enriching experiences for our pupils. The cast and crew have been working incredibly hard, and we are so excited to share *Matilda JR* with you.

Kind regards,

Matilda Production Team
