

Ready, Respectful, Resilient
Headteacher: Mrs T Price BA (Hons) MA Ed

16th June 2026

Dear Parent / Carer

Over the last few weeks Mrs Price, myself and the staff have been considering applications for the role of Prefect for the forthcoming academic year. Unfortunately, at this stage, your child has not been chosen. The main reason for this is that staff do not feel they are quite ready to fulfil this extremely important role; this may be due to attendance, behaviour incidents or inconsistent attitudes to learning.

I have spoken to the students who were unsuccessful and have assured them that if they can demonstrate the qualities and skills that we are looking for in the new term that they will still be considered for a prefect role. This will not take place until after the October half term when we next review our team.

As they may feel disappointed, I would like to reassure them their applications were well received and that they have lots to offer. Keep up the good work and prove what you are really capable of.

Yours Faithfully

Mr S Champ
Year 7 Progress Leader
