Dear Parents and Carers,

Parents' Evening – Wednesday 21st October 2026 and 10th February 2027

This year we will be holding two parents' evenings. We are delighted to invite you to our first Parents' Evening on Wednesday 21st October. This is an important opportunity to meet with your child's teachers, discuss their progress and celebrate the successes they have achieved so far, this academic year.

During the appointment, teachers will provide an update on your child's academic progress, attitude to learning, strengths and areas for development, as well as discussing how you can support them at home. We hope that these conversations will provide you with a clear picture of how your child is progressing and the next steps they can take to achieve their very best.

To enable all appointments to take place, school will close at 2.30pm on Wednesday 21st October 2026 and Wednesday 10th February 2027. We recognise that this earlier finish may create difficulties for some families. If your child needs to remain in school after 2.30pm, please contact the school office as soon as possible so that we can make appropriate arrangements.

Further information regarding the appointment booking process and timings will be shared with you shortly.

We look forward to welcoming you to school and working together to ensure that your child continues to belong, achieve and flourish at James Bateman Middle School.

Thank you, as always, for your continued support.

Yours sincerely,

Headteacher
